was suggested by one of its most important and valuable ingredients — Golden Seal root.

Nearly forty years ago, Dr. Pierce discovered that he could, by the use of pure, triple-refined glycerine, aided by a certain degree of constantly maintained heat and with the aid of apparatus and appliances designed for that purpose, extract from our most valuable native medicinal roots their curative properties much better than by the use of alcohol, so generally employed. So the now world-samed "Golden Medical Discovery" for the cure of week stomach, indigestion, or the cure of week stomach, indigestion, and kindred derangements was first made, as there is the extraction of a contraction of the co
